EMBRACE ENGAGE ENHANCE EXPLORE

URGENT

A reminder to Messiah members and friends that neither Pastor Chuck nor any Messiah staff member will send emails asking for donations of any kind.

A new phishing email was sent to some Messiah members this morning. It stated Pastor Chuck had a request, was busy, not to call him, but to only reply to this email. It also had a scripture quote on it.

Before replying to an email supposedly from a Messiah staff member, always check to make sure it's a legitimate Messiah email address. All legitimate Messiah emails begin with the staff members first and last name, separated by a period, and end with @mlcauburn.org. Any other email address is not from a Messiah staff member.

If you are suspicious of any email from a Messiah staff member, please call or text that staff member to confirm. Staff numbers can be found on the Messiah website.
